

# VERITAS MGS

A strategic design  
alliance connecting Australia  
and South East Asia

VERITAS is one of the world's leading integrated multi-disciplinary design firms, with a network of global offices delivering award-winning architectural and related professional services which realise innovative sustainable solutions for the built environment.

MGS is one of Melbourne's leading architectural and design practices and in addition to being an award-winning architectural practice, has developed a strong reputation for urban design, advocacy and planning.

The VERITAS+MGS alliance provides seamless project delivery across Southeast Asia and Australia, to deliver a range of projects of significant scale with local implementation and innovative, award-winning expertise across a range of project typologies.

**VERITAS+MGS** have an enviable track record in the commercial sector, from offices, corporate headquarters and shopping centres to bespoke retail fitouts.

commercial

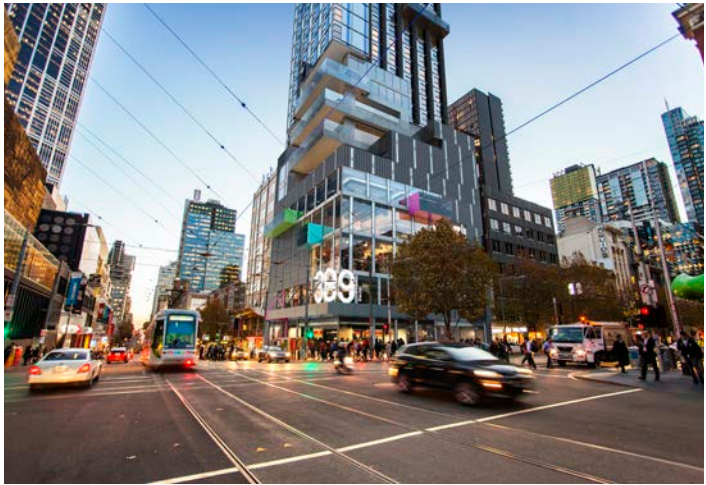

JLand Tower, Johor Bahru

New Quay Pavilions, Docklands, Melbourne

Troika Sky Dining, Kuala Lumpur

389 Bourke Street, Melbourne
