The standard of the healthcare sector in any society is a reflection of the importance placed on the quality of life and physical/mental well-being of its people.

As a responsible corporate citizen VERITAS is dedicated to the enhancement of society's health care needs through our commitment to the planning and design of hospitals, clinics and retirement communities bench-marked against international best-practice.

Completed and on-going health care projects by VERITAS range in size, typology, complexity and geographical location both in Malaysia and Australia.
